KALS Special Announcement:

KALS is no longer a commercial radio station. For the year 2013 we are honoring the advertising contracts currently in place, but you are hearing far fewer commercials and more teaching programs. 2014 will be the start of commercial free KALS. Thank you for your support of our businesses all these years to keep this facility on the air. Thank you to those who have given this year as listener support for KALS is now crucial! Visit our network website for more info on the ministry of YNOP. If you feel the Lord leading you to a gift of support, please do so below! We're looking forward to what the Lord has in store as we walk in obedience to Him calling us to 100% ministry!

PLESE NOTE - This site will not have the latest or complete info on everything YNOP!

A huge thank you to our incredible family of supporters from the YNOP audience as we wrapped up FriendRaiser 2013!

We started Monday with our “Day Of Hope” and had some wonderful times of ministry and reminiscing with special guests Gail McWilliams, Dan Frederickson, Ed Matter, and Earl Houtz. All of these interviews, you’ll want to listen to again - so catch some important updates and ministry announced during these talks as you listen on our podcast page.

We heard from over 716 households and are praising God for $165,000 worth of funding for ministry and projects as we go forward with everything God has called us to do in the near future. That includes adding a new full-power station in Greybull, WY in literally the next couple of weeks, as well as a new FM translator in St. John ND. And don’t forget the soon completed project of New Life Radio Tanzania which we are praying will be on-air by the end of 2013!

We celebrated and remembered awesome highlights from the last 30 years - and now as we move forward, with a heart for continued local ministry as well as following God into international waters as we head towards ministry in Tanzania, we believe God has wonderful things in store for ALL of us as we continue to PRESS ON in Him, just like our theme for this year states, “We Press On.” We ask that if the Lord lays it on your heart to help fulfill some of our remaining financial need, that you prayerfully consider responding giving online.

Legislative Update

As the Montana Legislature is now in session, Jeff Laszloffy of the Montana Family Foundation will keep us informed of current issues twice every weekday at 8:25am and again at 1pm. It’s a great way to keep up on current issues that we as Christians need to know about in our back yard.
